

## PLAĆANJE PARKINGA MOBILNIM TELEFONOM

Pošaljite SMS koji sadrži registracijsku oznaku vozila (bez razmaka i specijalnih znakova) na m-parking broj odgovarajuće parkirne zone.

Potvrda o parkiranju će stići u obliku povratnog SMS-a na Vaš mobilni telefon sa svim podacima o plaćenom parkiranju. Slanjem jednog SMS-a možete platiti najviše 1 sat parkiranja, a maksimalno vrijeme parkiranja nije ograničeno.

Podsjetnik o isteku plaćenog parkiranja dolazi 5-10 min prije isteka vremena u SMS obliku na korisnikov mobilni telefon. Korisnik može parkiranje produžiti za idući sat ponovnim slanjem SMS-a.

## PLAĆANJE PARKINGA NA PARKIRNOM AUTOMATU

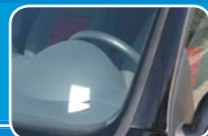

Parkirnu kartu možete kupiti na parkirnom automatu postavljenom u blizini parkirališta.

Ubacite novac, odredite vrijeme parkiranja i pričekajte da vam automat izbaci parkirnu kartu.

Na parkirnoj karti ispisano je vrijeme isteka parkiranja.

Kartu postavite s unutarnje strane vjetrobranskog stakla vozila na vidljivo mjesto.

Poštovani gosti,

Izuzetno nam je drago što ste svoje dragocjeno slobodno vrijeme odlučili provesti u Šibensko-kninskoj županiji.

U većini jadranskih gradova za vrijeme ljetne turističke sezone dolazi do povremenih prometnih zastoja i gužvi. Njih ne možemo izbjeći, ali ih možemo umanjiti. Zato smo i priredili ovaj info-letak. Željeli bismo da Vam posjet Šibeniku ostane u lijepome sjećanju te da nam se u jednako dobrom raspoloženju vratite i sljedeće godine.

Naši susretljivi i prepoznatljivi djelatnici će Vam pomoći u svim dodatnim informacijama koje budete trebali.

Srdačno,

Gradski parking d.o.o.

Dear guests,

We are exceptionally glad that you have decided to spend your valuable free time in the Šibenik-Knin County.

During the summer tourist season, in most Adriatic cities there are occasional traffic jams and congestions. They cannot be avoided, but they can be decreased. That's why we have prepared this info leaflet. We hope you'll keep a nice memory of your visit to Šibenik and that you'll return next year, in the same good mood.

Our helpful and recognizable employees will help you with all additional information you may need.

Sincerely,

City parking Ltd.

**MOBILE PHONE PARKING PAYMENT\***

Send an SMS with the vehicle registration number (no spaces or special characters) to the m-parking number for the applicable parking zone.

You will get a parking receipt as a return SMS to your mobile phone with all information on the parking paid. By sending one SMS you can pay for the maximum of 1 hour parking, and the maximum duration of parking session is not limited.

The reminder on expiration of the parking paid will come to the user's mobile phone as an SMS 5 to 10 minutes before the parking session expires. The user can extend the parking session to the following hour by sending another SMS.

**PARKING PAYMENT AT A PARKING TICKET MACHINE**

You can purchase a parking ticket at a parking ticket machine near the parking lot.

Insert the money, select the duration of the parking session and wait for the machine to issue the parking ticket.

The time of expiration of the parking session is printed on the parking ticket.

Display the ticket on the inside of the windshield of your vehicle.
